WHAT DOES YOUR TUITION COVER? :

Your tuition dollars cover many areas within the school. The biggest expense is faculty and staff salaries and compensation. The next area would be curriculum and classroom supplies. Tuition only covers a portion of what it costs to educate each child. The difference in cost to educate is supplemented by the St. John's Congregation. The 7th Grade has an additional fee of \$145 due to Outdoor Ed. Also included in Tuition for 5th –8th graders is the cost of Chromebooks (including maintenance and warranty).

Chromebooks:

All 5th—8th Grade Students will be issued a Chromebook for academic use in the classroom as well as for use on their homework. This will be a great tool for our middle schoolers as they learn and prepare for High School. They will bring their Chromebook to school each day. Once students graduate 8th Grade, they may buyout the remaining cost of their Chromebook and it is theirs to keep. The more years a student uses it the smaller the buyout. The buyout is OPTIONAL and will be calculated when needed.

A Parent /Student Chromebook agreement will need to be signed at the time of enrollment to ensure proper use and financial responsibility is understood. Further details regarding the Chromebook will be explained and included in the Parent Handbook.
